

# My Snowman

By: Ella Marie

1. The shape of his body is all circles.
2. I put some snowflake.
3. I put his background dark blue.
4. I put white color in the ground, so its looks like white snow in the ground.
5. I didn't put some eyes, just sunglasses
6. I put brown sticks on his body.
7. And I put three circles down in his body.
8. Then red lips.
